Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Cochise County Sheriff's Office	Cochise County Jail – This project will fully fund the planning and pre-development costs for a new jail in Cochise County. The County's current jail is not adequately staffed nor does it have the proper services in place to deal with this growing portion of our population.	Bisbee AZ	\$2,200
City of Goodyear	City of Goodyear Police Training Simulator - This funding will allow the City of Glendale to acquire a technologically-advanced platform to train and certify Police Officers in accordance with the Arizona Peace Officer Standards and Training Board. This technology will allow for annual trainings that promote safe and reliable community policing.	Goodyear AZ	\$330
Town of Kearny	Kearny Police Department Dispatch Consoles - This would replace two decades-old dispatch consoles that are no longer serviceable to ensure consistent emergency radio communications for dispatch.	Kearny AZ	\$257
La Paz County Sheriff's Office	La Paz Jail Vehicle Replacement - The La Paz County Sheriff's Office houses federal inmates and is contractually bound to assist with transportation of these inmates. The county also provides assistance to Border Patrol in transportation of detainees as part of their Operation Stonegarden partnership. The current jail vehicles that are used for prisoner transports have between 200,000 and 300,000 miles on them and are in dire need of replacement. This project will fund the purchase of new jail vehicles for the La Paz County Sheriff's Department.	La Paz County AZ	\$116
Navajo County	Navajo County Public Safety Communications - This project will upgrade the regional 911 dispatch centers, expand and bolster the regional analog radio network, and purchase a Mobile Emergency Communications Unit, which will improve the ability of Navajo County law enforcement to serve the community.	Navajo County AZ	\$1,247
City of Peoria	Peoria Police Command Vehicle - This funding will allow the City of Peoria to purchase a command vehicle to improve the City's overall response, mitigation, and investigation of any incident, to include high stress public safety incidents and other large events throughout the city and area.	Peoria AZ	\$648
Arizona Administrative Office of the Courts (AOC)	Arizona Adult Probation Enterprise Tracking System (APETS) Replacement - This project will replace the Arizona Administrative Office of the Courts' statewide probationer IT case management system and record repository to provide probation officers with more modern and effective public safety tools to track probationers and connect them with needed services. The system, which relies on software written in 1999, is used to track over 85,000 adults placed on probation statewide.	Phoenix AZ	\$1,000
City of Phoenix	Phoenix Real Time Crime Technology Center - this will enable Phoenix to acquire a Real Time Crime Center (RTCC) to strategically unify the efforts of investigative and field operations to reduce violent crime and better address a myriad of quality of life issues throughout the City of Phoenix. The RTCC, working with federal, state and local partners, will utilize technology-based solutions to support crime resolution by identifying trends or incidents and surging limited personnel and partnerships to address the issue or incident.	Phoenix AZ	\$1,000
Yavapai County Sheriff's Office	Yavapai County Sheriff Helicopter - This would enable the purchase of a Bell 407 or equivalent helicopter to assist with search and rescue, off highway vehicle enforcement, and public land patrols. Yavapai County is approximately 8,128 square miles, has four national forests, and expansive federal and state lands that lead to a high demand for search and rescue missions that would be made more effective with a helicopter.	Prescott AZ	\$2,108
Town of Prescott Valley	Prescott Valley Body Cameras - This will provide body worn cameras for the Prescott Valley Police Department.	Prescott AZ	\$200
Graham County	Graham County Sheriff Vehicles - This project would fund the purchase of two Sheriff's Office vehicles to replace aging vehicles with more than 175,000 miles. These replacement vehicles will improve public safety throughout Graham county.	Safford AZ	\$140

Town of Sahuarita	Sahuarita Police Department Mobile Emergency Response Vehicle - This would fund the purchase of a Mobile Emergency Response Vehicle for the Sahuarita Police Department, allowing them and their partner agencies to benefit from a quick mobile command center to respond to emergencies, natural disasters, and rescues.	Sahuarita AZ	\$250
San Carlos Apache Tribe	San Carlos Apache Police Department Equipment - This funding will be used by the San Carlos Apache Police Department (SCAPD) for 36 sets of body armor to replace expired body armor. The funding will also be used for a WatchGuard video system providing body worn cameras and in-car video systems to increase accountability and provide evidentiary support. Lastly, the funding will be used for four vehicles to increase SCAPD's capacity to respond to calls and to replace damaged or decommissioned vehicles.	San Carlos AZ	\$674
City of Somerton	City of Somerton Public Safety Equipment - This project will purchase 25 new taser bundles for the Somerton Police Department sworn officers to replace outdated equipment.	Somerton AZ	\$98
Pima County Sheriff's Department	Pima Regional Training Center - This funding will allow the Pima County Sheriff's Office to upgrade the firing ranges at their training center to a safer, more efficient and effective level in order to ensure proper training of their staff, along with partner local, state and federal agencies who use the facility.	Tucson AZ	\$308
City of Tucson	Tucson Police Department Portable Radios Update - The handheld and vehicle mounted radios used by Tucson Police Department (TPD) have reached end of life by the manufacturer and all support will end over the next calendar year. This project will fund the acquisition of replacement radios, with new capabilities and improved reliability to maintain public safety.	Tucson AZ	\$1,845
Pima County Sheriff's Department	Pima County Sheriff's Department Drone Systems - This funding will be used to purchase two drone systems to be used by the Pima Regional SWAT team and the Sheriff's Command Center. The drones will be used to gain intelligence in tactical situations where the situation is hazardous or difficult for a person to enter. They also are able to fly over difficult terrain inaccessible by other means.	Tucson AZ	\$47
